

Do the math... You either build a less expensive hangar or you gain more headroom. Either way you win with a HydroSwing door!

NEW BUILD

BI-FOLD

DOOR REPLACEMENT

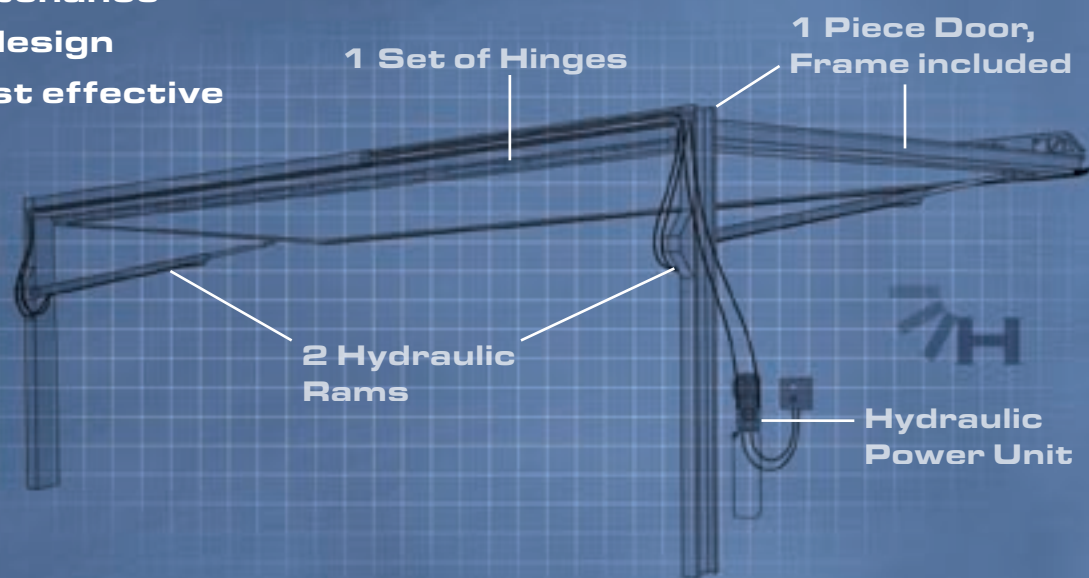

\$ COST LESS

\$ COST MORE, LESS HEIGHT

MORE HEIGHT "

THE HYDROSWING DOOR

- Less moving parts
- Less to go wrong
- Less maintenance
- Superior design
- Easy & cost effective to install

THE BI-FOLD DOOR

- More moving parts
- More to go wrong
- More maintenance
- Inferior design
- Difficult & costly to install
