GRUEN-WALD ENGINEERED LAMINATES, INC.

27121 469th Ave • Tea, SD 57064-8100 • Phone: 888 338 8004 • Fax: 605 498 1282

Attn:

This is to certify that the pressure treated lumber used to manufacture Gruen-Wald Engineered Classic Columns has been treated to a total absorption of .60 pounds of CCA-C preservative per cubic foot of wood. The Manufacturer and the Treater warranty their products and process for varying lengths of time, usually 50 to 60 years.

The phenolresorcinol adhesive by Borden, Inc., is a waterproof bonding agent that is claimed to be permanent.

Gruen-Wald Engineered Laminates, Inc. takes pride in offering a 60 year warranty on their columns. This warranty concerns the replacement of the Columns only. It does not include other costs such as loss of service, labor, etc.

Visit our web site at www.gruen-wald.com for more information on this premium product.

With Regards,

Duane D. Boice, President
Gruen-Wald Engineered Laminates, Inc.
